Featured Optum – Nevada services

100-day prescription supply

Your clients can use Optum Home Delivery to get 100 days' worth of their medicine. Most tier 1 and tier 2 medicines are no-cost with a \$0 copay. If they do have a copay, it's often less than they would pay at their retail pharmacy. They'll get no-cost standard shipping on your order.

Your clients can use this service if they're part of Optum – Nevada. They also need to have a UnitedHealthcare Medicare Advantage plan. The Optum Home Delivery team will help them move their prescriptions from their current pharmacy. They'll get in touch with your clients' doctor for any refills and set up reminders. The team will let them know about any out-of-pocket costs.

Life can be hectic. This makes it easy to stay on track with their medicines.

Your clients can call and talk to a pharmacist 24/7.

To get started with Optum Home Delivery, visit [optumrx.com](https://www.optumrx.com) or call **1-800-791-7658**, TTY **711**, and choose **option 3**.
