Dear <First Name Last Name>,

At Optum - Nevada, we're grateful to have you as a patient. We're always working to give you the quality care that you deserve. We also want to make sure you have the latest info about your care services.

This letter is to let you know that CenterWell will no longer take UnitedHealthcare or the Optum - Nevada network. This change will happen on Sunday, June 30, 2024.

What does this mean?

This change means you might not be able to see your doctor(s) at a CenterWell clinic, but if you do, they may be considered out of network. You will likely have to pay the full cost for any care services you get on June 30 or beyond. (Please see your Evidence of Coverage [EOC] for more information about out-of-network doctors.) We want to make sure you know the choices you have to keep getting the best care for you without interruption.

To keep getting care with one of our contracted providers through Optum, you have to choose a new Optum network PCP. Your health plan will automatically move your care to an Optum network PCP.

To select a new PCP as a UHC member, you can simply log in to your UHC patient portal. Then you can choose a new PCP within the network, or you can call the toll-free member services number listed on your UCard to update your PCP.

To help you find a new PCP, we have found the following Optum network providers near you. To view these provider alternatives, see the back of this letter.

As a part of our network, you can enjoy benefits including:

- Our 2 Optum Activity Centers for games, arts and crafts and more
- A specialty network with the high-quality physicians you're used to seeing
- A patient support center with nurses on hand 24/7 so you get the right care when you need it
- In-person care and virtual care choices to meet your care needs
- On-site lab and X-ray services at select clinics
- Programs and classes to help with long-lasting health issues

We're here to answer any questions you may have about this change. Please call the patient experience team at **1-702-242-4357**, TTY **711**, to learn more.

It's an honor and a privilege to be part of your health journey. We hope to keep giving you the quality care you've come to expect from us.

Sincerely,

John Rhodes, MD
